Thank you for making the Ultimate Habitat House Party an amazing success!

The purpose of the Ultimate Habitat House Party is to gather our community together to share our mission and celebrate how your support is helping to change the lives of individuals and families through affordable and attainable homeownership.

We are overwhelmed by the positive response to the event, and so grateful that we could introduce you to families that are now homeowners at Cityview Village in Guelph.

The evening was truly memorable for the almost 300 who attended and supported our efforts to bring Phase 3 of the Cityview Village project to its final stage. Over \$78,000 net was raised!

We couldn't have had the success we enjoyed from the return of the Ultimate Habitat House Party without you – our volunteers, staff, guests, donors, and sponsors.

Thank you all so much and we look forward to November 6, 2020 for an even more exciting event! Mark your calendars now!

We are so proud of Chelsea and Emma, one of our newest Habitat WDG homeowner families, and our featured guests at the House Party. Chelsea and her daughter Emma shared their story of being welcomed into the Habitat Homeownership Program and what it has meant to them.

If you want to learn more about Chelsea and Emma, please visit our YouTube channel for our Cityview Village 2019 Home Dedication Celebration.

Habitat WDG leads Affordable Housing Symposium Series

The Affordable Housing Symposium Part 2, held on November 21, was a chance for the Guelph and Wellington County communities to work together to address our local affordable housing crisis. With a focus on developing leadership in our community, the enthusiasm in the room from 45 attendees representing 19 various organizations, including MP Lloyd Longfield, culminated in an agreement of how the next steps would be taken and by whom.

For more information about the Symposium series, and how you can get involved, visit habitatwdg.ca/symposium today!

Here's how it works:

Renovating? Let us do the hard work! Our Kitchen Salvage Team will carefully dismantle and remove your kitchen, bathroom, large appliances, and more!

Don't dump it - donate it! Your recently salvaged items can be sold at our ReStore. All proceeds go directly toward local Habitat for Humanity building projects. You'll receive a charitable tax receipt for the resale value of your items.
